## *Glennwood House recipient of Community Foundation Grant*

***(L-R): Glennwood House Gardeners: Executive Director Shauna Bogert, Glennwood Executive Director, with future residents, Erika Haggstrom, Taylor Holben, Tina Cassani, Jesse Blassberg, Michelle Magginiti and in back, Stacey Enmeier, Assistant Director. A grant from Laguna Beach Community Foundation and donations from Armstrong Garden, Laguna Nursery, Plant Depot and Park West helped make the gardening and landscaping of the grounds possible***

The Glennwood House thanks the community for all its ongoing support. Future residents, their families, supporters, and volunteers from Transition Laguna all pitched in with shovels in hand to plant flowers, vegetables and trees. The gardens will be beautiful and bountiful producing food for future Glennwood House residents who will participate in maintaining the garden. Glennwood House will be a unique and loving housing community in Laguna Beach for young adults with developmental disabilities.

The Laguna Beach Community Foundation, in partnership with the Massen Greene Foundation, was pleased to provide a grant to Glennwood to support their landscaping and organic gardens. Additional donations of plants, trees, and irrigation systems were provided to Glennwood from Armstrong Garden, Laguna Nursery, Plant Depot and Park West.

The Laguna Beach Community Foundation is pleased to maintain a charitable fund to support the Glennwood House Capital Campaign. Additional funds are needed to complete the Glennwood House expected to open this summer. Naming opportunities are still available. To contribute, please make your check to LBCF/Glennwood House, PO 1628, Laguna Beach, CA 92652. For information, contact Darcy Loveland, President and CEO, Laguna Beach Community Foundation at 715-8223.
