Community foundation taking donations

The Laguna Beach Community Foundation is available to assist with year-end charitable gifts, according to a news release.

By establishing a Donor Advised Fund, a donor can obtain a 2011 tax deduction and then make recommendations in the future for charitable distributions to any nonprofit.

Donors also can make a tax-deductible donation to any of the following funds maintained at the Laguna Beach Community Foundation.

The One World One Ocean Foundation Fund was established by the MacGillivrays, to help provide resources needed to protect and preserve our oceans and keep them healthy. Donations help fund education programs and support films, television programs and public engagement projects.

Glennwood House Fund assists the Glennwood House Foundation in their capital campaign to provide housing for special-needs young adults in the building at Ruby Street and South Coast Highway in Laguna Beach.

Disaster Fund assists in emergency disaster relief and prevention. This fund provided \$25,000 in disaster relief after the December 2010 flooding.

Claes Andersen Hospitality Scholarship Fund, established by Georgia Andersen and her children to honor Claes Andersen, distributes money to the Laguna Beach High School Scholarship Foundation or similar entities or educational institutions.

The 2012 Laguna Beach Community Foundation Annual Grants Program provides grants to nonprofits in Laguna Beach or providing services to Laguna Beach residents. In 2011 with the assistance of donors, the Community Foundation granted \$140,500 to 27 nonprofits.

To donate, make your check to LBCF and the name of the fund and mail to Laguna Beach Community Foundation, PO Box 1628, Laguna Beach, CA 92652. For more information, contact Darryc Loveland, president and chief executive, at (949) 715-8223.
